St. Joseph, Pray for Us

April 10, 2022 PALM SUNDAY

Bible Verse for April 10: Col. 3:9-10

Do not lie to one another, seeing that you have stripped off the old self with its practices and have clothed yourselves with the new self, which is being renewed in knowledge according to the image of its creator.

Stewardship Reflection:

"I tell you, Peter, the cock will not crow this day, until you have denied three times that you know me."
(Luke 22:34)

How many times have you heard someone make a disparaging remark about God or our Catholic faith? How did you react? Do you remain quiet not to cause a disturbance? Or, because you don't want people to think negatively about you? Or, because you don't think you know enough about the Catholic faith? Pray for the courage to speak up and enter into a respectful dialogue when the opportunity arises. Joyfully share your faith with others.

Awake from Woke 2: How to Talk about Sexual Orientation and Gender Identity: Woke ideology is the philosophy that undergirds the activism that is so prevalent in society today. It has been very successful in coopting the unwitting support of many well-intentioned people in a project which most of us would disagree with if we were aware of it. It is very important that we understand that the Woke mantra of "Diversity, Inclusivity and Equity" as well as "Social Justice" do not mean what we think they mean. Attend this presentation in order to "Awake from Woke." **Monday, April 25 at 7:00pm.** Learn more and register at beholdvancouver.org/events
