### 17TH SUNDAY IN ORDINARY TIME

**Bible Verse for July 24:** 2 Thess. 1:9-10

The coming of the lawless one is apparent in the working of Satan, who uses all power, signs, lying wonders, and every kind of wicked deception for those who are perishing, because they refused to love the truth and so be saved.

**Stewardship Reflection:**

*"Ask, and it will be given you; search and you will find; knock, and the door will be opened for you."*  
(Luke 11:9)

Jesus assures us that if we ask, God will take care of what we need. The problem is that our culture often confuses what really need with what we simply want. The truth is that many of us need very little. However, we usually want so much more! Stewardship is simply being grateful for all that we are and all that we have been given, and generously sharing all of our God-given gifts with others. Generosity is a gift that opens doors to new relationships with others and with God.
