Bible Verse for July 31: 2 Thess. 3:11

Make it your aim to live a quiet life, to mind your own business, and to earn your own living, ...In this way you will win the respect of those who are not believers and you will not have to depend on anyone for what you need.

Stewardship Reflection:

"Take care! Be on your guard against all kinds of greed; for one's life does not consist in the abundance of possessions." (Luke 12:15)

The Gospel message is contrary to modern culture that continually tries to convince us that our joy comes from the material things we possess. That the more we acquire, the happier we will be. Jesus shows us that our true joy comes from our "invisible" gifts like love, mercy and forgiveness. True joy comes from "emptying" ourselves, giving of ourselves rather than always taking. We are called not to hoard but to share. True joy comes from living a grateful and generous lifestyle; become more "God-centred" and less "self-centred."
