### 13TH SUNDAY IN ORDINARY TIME

#### Stewardship Reflection:

*"... it is a question of a fair balance between your present abundance and their need, so that their abundance may be for your need, in order that there may be a fair balance." 2 Corinthians 8:14*

It is important that we not only grow, nurture, and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the "Body of Christ." We are called to be dependent on each other and not live in isolation.
