16TH SUNDAY IN ORDINARY TIME

Stewardship Reflection:

"Come away to a deserted place all by yourselves and rest a while." Mark 6:8

Do you spend time, every day, alone and in silence listening to how God is calling you? If not, you are missing out on a wonderful opportunity to develop a more personal relationship with Him. Unless we talk and more importantly, listen to God every day, how else will we know how He is calling us? Consider making a retreat this year, spend some "alone" time with God.

WORLD DAY FOR GRANDPARENTS AND THE ELDERLY: *"Do not cast me off in my old age."* - Psalm 71:9
The Fourth World Day for Grandparents and the Elderly, celebrated this year on July 18, 2024, is an important occasion for the life of our ecclesial communities. Attending to our grandparents and the elderly is not only a sign of gratitude and affection, but a necessity in the construction of a more human and fraternal society. The Holy Father invites us to recognize their value and to do so permanently, not just occasionally. It is not a matter of celebrating an anniversary once a year, but of making the elderly feel like an integral part of our Christian family and our common history. The successive generations of elderly people must be taken seriously, and the Church must give them appropriate pastoral attention. We invite everyone to consider how they can honour their grandparents and the elderly in their communities. Learn more at beholdvancouver.org/events
