

## Parental Statement of Commitment

- 1) The Church reminds parents that they are the primary educators of their children, especially in the Faith. The Parish Religious Education Program (PREP) does not take the place of parents but rather assists them in their efforts to share and develop the Faith with their children.
- 2) At Baptism, the parents made a solemn commitment to raise their children in the practice of the Faith. The Catechetical instruction at PREP is only a small part of that commitment. Parents' personal commitment to Jesus Christ and following His guidance in daily life by being faithful to His Word and Sacraments are necessary for transmitting the Faith to your children.
- 3) Children must have completed a minimum of one year of religious education prior to entering a sacramental preparation class. For example, children can only be accepted into the First Communion class if they have completed Grade 1 PREP and can only be accepted into the Confirmation class if they have completed Grade 6 PREP.
- 4) I understand these expectations and will do my part in cooperation with the PREP program at St Joseph's parish, bringing my children weekly.
